Let's make Chocolate Reindeer Marshmallows!

How to make?

① Break the chocolate bars into small pieces by hand and put them into a microwavable bowl.

② Place the bowl in the microwave at 500W for one and a half minutes. No need to cover the bowl with plastic wrap.

③ Stir it well with a spoon. If it hasn't melted well, heat it for another 10 seconds or so.

④ Put a marshmallow on a bamboo stick and dip it into the melted chocolate.

⑤ Draw the eyes of the reindeer with chocolate pens.

⑥ Place two chocolate sticks on top to make horns.

⑦ Place a red M & M on the top for a nose.
